In the minutes presented to the Council on the 22/6/2010, Item 14(iv) of the Parish Council Meeting of 25/5/2010 was not accepted, by the Council, as an accurate record of what had happened.

The minutes should read:

Prior to item 14(iv) councillor Acford made a Point of Order. He stated that Standing Order 36(A) did not allow the Council to reverse a decision that had been made by full Council in the previous six months. He stated that item 13(iii) of the meeting on the 27/4/2010 clearly recorded that 'it was RESOLVED that no permission be granted to Mr Persico to use the Playing Field for the provision of a new youth football team'. These minutes have been agreed as accurate.

Councillor Stacey then explained the procedure to the public.

No further discussion of the issue took place.
